## ABOUT ME

Enthusiastic and dedicated final year Computer Science student with a solid foundation in programming and a knack for problem-solving. Proficient in languages like JAVA, HTML, CSS, JS and experienced in creating projects with Web app and Clones. Effective collaborator in team projects, with a passion for learning and staying up-to-date with tech trends. Excited to apply classroom knowledge to real-world challenges and contribute to a dynamic IT team as I embark on a promising career journey.
